

NAMAN MANCHANDA

A SOPHOMORE AT MAIT, GGSIPU, NEW DELHI
[HTTP://NAMANMANCHANDA.ME](http://namanmanchanda.me)

ABOUT

I am a sophomore at Maharaja Agrasen Institute of Technology. I am a BlockChain enthusiast and an Ethereum Developer. I have experience working in Python, C++, Solidity and Web Development. I have a flair for technology and work on developing decentralized applications that could bring a social impact in the society.

EXPERIENCE

ETH INDIA | BENGALURU, INDIA | AUG 2018

- Attended Asia's largest Ethereum hackathon
- Developed alongside great programmers and developers

NASA SPACE APPS CHALLENGE | NEW DELHI | AUG 31 - SEP 1 2018

- Worked along with my team to create a decentralized disaster management application
- <https://github.com/namanmanchanda09/DisasterManagement>
